Memory Matchup

Match the picture to the correct word.

snail

book

horn

cow

six

men

gift

jet

duck

net

nest

web

can

cane

mouse

rake

Staple several sheets of paper together and have your child create a picture dictionary of interesting words. Help him think of topics for each page. For example, one page might be titled My Family; on that page your child draws pictures of family members and labels them. Other topics can include Places to Go, Things to Ride, Toys and Animals. Each page should display the words and their corresponding pictures. Let your child use the picture dictionary when practicing vocabulary, spelling and creative writing.
